Author Correction: Continuous presence of proto-cereals in Anatolia since 2.3 Ma, and their possible co-evolution with large herbivores and hominins

Valérie Andrieu-Ponel, Pierre Rochette, François Demory, Hülya Alçiçek, Nicolas Boulbes, Didier Boulès, Cahit Helvacı, Anne-Elisabeth Lebatard, Serdar Mayda, Henri Michaud, Anne-Marie Moigne, Sébastien Nomade, Mireille Perrin, Philippe Ponel, Claire Rambeau, Amélie Vialet, Belinda Gambin & Mehmet Cihat Alçiçek

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-86423-8>, published online 26 April 2021

The data access information included originally in the Article is not valid any more. The data has now been deposited in zenodo, and in the Data Availability section,

“All data generated or analysed during this study are included in this published article (and its Supplementary Information files) and are available on the e-site of EPD (European Pollen Database): <http://www.europeanpollendatabase.net/data/downloads/image/ACIGOL3.zip>.”

now reads:

“All data generated or analysed during this study are included in this published article (and its Supplementary Information files) and are available in zenodo at <https://zenodo.org/record/5912616>.”

The original Article has been corrected.
